Internationally renowned for its musicals, theatre and artistic performances, New York City has once again added to its legendary repertoire with “SuperYou The Musical,” which premiered at the historic The Players Club in Gramercy Park on April 22, 2019.

Created by Filipino-American Lourds Lane, who was raised by a Filipino mother of modest means, "SuperYou The Musical" empowers women to rediscover their inner superheroes and to use their superhero powers to create the world they envisioned.

With inspirational songs like "Don't Wait Create," "I will Start the Fire Now" and "We are Awake," the musical is the journey of a female comic book artist, who reignites the superhero in her by encountering her superheroine creations.

The Huffington Post has described the musical as "A Broadway-bound game-changer...Finally, there is a happy ending that shows girls how to fall in love with themselves."
