print ads.

It's her first major, major gig as a professional model in the U.S. two years after finishing first runner-up to Miss Universe Olivia Culpo (of the United States), who is the current squeeze of singer Nick Jonas.

The 25-year-old Bataan-born Janine is not all beauty.

She has a pharmacy degree (cum laude) from the University of Santo Tomas and successfully obtained her pharmacy license in 2010.
