More than 5,000 key decision-makers representing New York's top-tier real estate, banking, investment, construction, architecture and related industries will convene at the New York Hilton

Midtown on Thursday, Oct. 24, 2019 for the 11th annual New York City Real Estate Expo (<https://www.nycnetworkgroup.com>).

The unique NYCRE Expo attracts movers and shakers representing most states, 25 countries, dozens of organizations, and hundreds of companies.

There will be 16 timely and informative panel discussions during the day-long event, according to NYCRE Expo founder and NYC Network Group President Anthony Kazazis.

For example, the 3 p.m. session will focus on “Wholesale Lending Trends and the Impact on Lending Officers and Real Estate Agents.”

Kazazis says, “Here’s a rare opportunity to meet and hear from several experts in one room — people you might never otherwise have a chance to meet in person. They will offer a wide-ranging overview of the advantages of wholesale vs. retail lending, going in-depth on obtaining and retaining purchase business, techniques to stay top of mind with clients and referrals, and the importance of building relationships with real estate agents.”

The Session Moderator will be Michael J Romer, Esq., Managing Partner, Romer Debbas LLP.

Floor Moderator will be E Robert Levy, Executive Director and Counsel, Mortgage Bankers Association of New Jersey / New Jersey Association of Mortgage Brokers / Pennsylvania Association of Mortgage Brokers.

Panelists will be: Samuel Bjelac III, Senior VP, Sprout Mortgage; Ace Watanasuparp, VP/Regional Manager, Citizens Bancorp; Allen Beydoun, EVP, UWM Sales; Jeffrey Tesch, Managing Director, RCN Capital, Bill Walker, Chief Revenue Officer, Unison Home Ownership Investors; Steven Schnall, Chairman & CEO, Quontic Bank; and Melissa L Cohn, EVP, Family First Funding LLC.

The 3 p.m. panel is sponsored by NMP and Scotsman.
