When I was invited by my good-looking radioman friend, Fiorello Salvo, and Pastor Victor Paloma, to join their committee that will undertake a historic project of handling and organizing the 100 years anniversary of Our Lady of Victories (OLV) Parish in Jersey City, N.J. many months ago, I did not have any reservations and readily accepted the invitation.

I agreed to handle the publicity aspect.

Thus, I'm writing this brief history of OLV Parish with some rare 1917 photos provided to me by Salvo.

Our Lady of Victories Parish in Jersey City turns 100. The church is a beautiful example of Gothic Revival architecture. The altar is a masterpiece of craftsmanship. The statues are a beautiful work of art. The windows are a beautiful work of art. The pews are a beautiful work of art.
