Congratulations to the poll winners, including Filipino-Americans who ran and won, like Jonathan Wong of Mahwah, N.J. Council.

According to Jonathan's Mom Grace, Jon won big in Mahwah.

We, at the **Filipino Reporter**, scored 2 for 2.

We endorsed the winning Gov. ANDREW CUOMO of New York and Sen. BOB MENENDEZ of New Jersey in our separate Editorials days before the elections because we believed in them and in their record of public service.
