It's more fun in Switzerland!

Sun-tanning!

Soak up the sun—whether you're drifting on palm-fringed lakes or exploring sunny Alpine trails. In four hours, Switzerland's fast electric trains will whisk you almost anywhere in this gay and friendly country. And you *save up to half* on special Swiss travel fares.

Skiing! Enjoy Switzerland's magnificent spring ski season—perfect snow conditions in the higher areas of the Alps until June! Switzerland is the crossroads of Europe—where you'll meet hundreds of gay international vacationists, and English-speaking hosts!

Relaxing!

Swiss evenings are full of excitement at cozy chalets, pensions and splendid resort hotels. You can dine on partridge and tender steaks or trout *au bleu* and cheese soufflés. Yet you can live as economically as at home!
