Dear Kababayans and Friends,

**MABUHAY!**

After a successful return in 2017, the Ambassadors' tour is back to thrill visitors eager to experience the wonders and splendor of the Philippines. The 12<sup>th</sup> Ambassador's Tour will be held from 09 to 15 July 2018 featuring key tourism destinations in Manila, Cebu, and Bohol.

We invite you to join us in experiencing the Philippines and to discover for yourselves what international media, travel bloggers, and visitors from all over the world are raving about.

The Philippines is ready to meet the demands of an ever-evolving international tourism clientele with a wide range of tourism options from culinary, historic, adventure, sports, marine/diving, ecotourism, shopping/retail, entertainment, to heritage tours.

But what truly makes a visit to the Philippines memorable are our people – friendly, warm, welcoming, vibrant, hospitable, and caring.

We invite our kababayans in the U.S. Northeast to be our partners in inviting your family, friends, contacts, and colleagues to be part of the 2018 Ambassadors' Tour. We request you to start the conversation on social media with our hashtag #ambatour2018. To book a slot visit <http://www.acqtdt.com>.

Join us in what promises to be a fun journey and be an Ambassador for Philippine Tourism!

Maraming salamat!
